Demonstrate the Love of Jesus

By Peola Hicks

God demonstrates His own love for us in this: While we were still sinners, Christ died for us. Romans 5:8

There are a lot of messages about love these days. You hear it in music and greeting cards. You can hardly turn on the television without seeing an advertisement about love. Advertisers throw the word around rather loosely about their products.

Real love isn't just a sweet sentiment; it is a commitment. It is an act of the will. God loved so much he was willing to demonstrate that love by sending his son to die for our sins.

It seems easy to express love to those who will return it. That is not necessarily a bad thing, but this year our family is particularly aware of people who are struggling, and we find ourselves wanting to demonstrate the love of God to them. They may not see any other demonstration of God's love except the spirit of the Christ that is in us.

My Wish For You

May God grant you always...

A sunbeam to warm you,
A moonbeam to charm you,
An angel to protect you,
Laughter to cheer you,
Faithful friends around you,
and whenever you pray,
that heaven hears you.

THE DAILY QUOTES.COM

Rev. Dr. K. D. & (LL) Elder E. R. Shivers

Demonstrate the Love of Jesus ... (continued)

Being aware of the needs of others was a specialty of Jesus. He knew what we needed before we ever had a chance to ask. He was a good listener. He listened not only with his ears, but also with his heart. He had compassion and knew that to sit back and wish people well was not enough. He knew that we could not pay for our own sins. He gave us a wonderful example of how to act on behalf of others.

He showed us that he cared. I believe we must follow his example and show others that we care. We don't have to know them to want something good to happen to them. We know that prayer is always needed. It is one of the most loving things that we can do. We can pray for friends, family, enemies, and acquaintances. We can pray for people we see out shopping with their children. We pray for disabled people we encounter. Perhaps God will put someone in your path today.

My prayer point is that you don't need money to pray for someone, it is a powerful gift that we can give to show that we care. Look around you today and begin to demonstrate the love of Jesus. Provide a financial blessing or be of service in another way, if you can. Demonstrate your love—and God's—to those around you.

God bless you!

God is Enough by: Hannah Whitall Smith

The greatest lesson a soul has to learn is that God, and God alone, is enough for all its needs. This is the lesson that all God's dealings with us are meant to teach, and this is the crowning discovery of our entire Christian life. ***GOD IS ENOUGH!*** No soul can really be at rest until it has given up dependence on everything else and has been forced to depend on the Lord alone. As long as our expectation is from other things, nothing but disappointment awaits us. Feelings may change, doctrines and dogmas may be upset, the Christian work may come to nought, prayers may seem to lose their fervency, promises may seem to fail, everything that we have believed in or depended on may seem to be swept away, and only God is left – ***just God!*** If God is what he would seem to be from his revealings; if he is indeed the “God of all comfort” (2 Corinthians 1:3); if he is our shepherd; if he is really and truly our Father; then we must come to the positive conviction that he is, in himself alone, enough for all our needs and that we may safely rest in him absolutely and forever.

HEALTH CARE CORNER

August is National Immunization and Psoriasis Awareness Month

Immunization, or vaccination, helps prevent dangerous and sometimes deadly diseases. To stay protected against serious illnesses like the flu, measles, and pneumonia, adults need to get their shots – just like kids do. National Immunization Awareness Month is a great time to promote vaccines and remind family, friends, and coworkers to stay up to date on their shots. Talk to friends and family members about how vaccines aren't just for kids. People of all ages can get shots to protect them from serious diseases. Encourage people in your community to get the flu vaccine every year.

Each August, the National Psoriasis Foundation (NPF) sponsors Psoriasis Awareness Month, dedicated to raising awareness, educating the public and dispelling myths about the disease. Psoriasis is a chronic, noncontagious, genetic autoimmune disease that appears on the skin in red, scaly patches that itch, crack and bleed. It is the most common autoimmune disease in the country, affecting approximately 7.5 million Americans. To develop psoriasis, a person must have a combination of the genes that cause psoriasis and be exposed to external “triggers.” Triggers include stress; injury to the skin, such as a tattoo or a scrape; smoking; and certain infections. There is no cure for psoriasis, but many treatment options are available.

God's strength is enough to fight and win our battles.
God's riches are enough to supply our needs.
God's wisdom is enough to teach and direct us.
But most of all, **God's love** is more than enough for all of us.
