## Jesus Opens the Way to Joy

Draw strength and happiness from the power of God's promise.

by Norman Vincent Peale

It has been assumed by some who do not know, that Christianity is a gloomy religion. Its chief emblem is, of course, the Cross, a symbol of suffering. But, in a higher sense, the Cross is the symbol of glorious victory. Faith in the Cross of Christ gives victory and salvation, and therefore the true Christian is always happy. He is constantly rejoicing. "Always be joyful in the Lord! I'll say it again: Be joyful!" (Philippians 4:4).

One reason for the Christian's happiness is his wonderful relationship with a good God. So loving is the heavenly Father that we are not to be fearful and hesitant about life. "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God" (Philippians 4:6). Do this joyfully and lovingly and with true faith, and great things will come to you.

The rest of this 4th chapter in Philippians outlines just how

wonderful your life can be. "The peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus" (verse 7). Then comes a list of the things we are to think about and make vital in our lives. If our thoughts are filled with truth and honesty and purity and loveliness, we will have God's peace (verse 8).

So great and meaningful is the sense of Christ's presence that, when we have this greatest of all possessions, we will also have an awareness of spiritual power. Then we are ready to make that most astonishing affirmation: "I can do all things through Christ who strengthens me" (verse 13). Christianity opens the way to joy and victory, and the secret is simply this: Live with Christ. Then, as the Apostle Paul says, "My God will meet all your needs according to the riches of his glory in Christ Jesus" (verse 19).

Why *not* be joyful?

### Lenten Celebration 2017

Lent provides us an opportunity to take a close look at ourselves as we journey towards eternal life. While we face difficulties it is important to admit that this spiritual life is not an easy endeavor. Lent also provides us with an excellent opportunity to strengthen ourselves in our spiritual walk with the Lord. This year's focus is on *The Year of Kingdom Victory*. 1 John 5:4 "For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith." Prayer and Fasting for these 40 days can move God to fulfill His intended will over our lives. Don't take this time lightly. Our prayers are poured out for you during these 40 days that victory be manifested in each of us for the Glory of God.

Blessings,

*Pastor K. D. & (LL) Elder E. R. Shivers*

Decrease is a spiritual necessity. John the Baptist was the first among Jesus' followers to grasp its counter-cultural power. "Less is more" is a popular simplicity mantra in our day. But John's understanding of "less is more" was spiritually profound. Gabriel had announced John's life-calling to Zechariah before John was even conceived: John was the one who, "in the spirit and power of Elijah...[would] make ready a people prepared for the Lord" (Luke 1:17). In many ways, John lived a Lenten lifestyle 365 days a year. His diet was narrow, his possessions were minimal, and his focus was eternal. But decrease for John was less about assets and more about attention. His longing was to draw his generation's attention and allegiance to the Messiah. From John's perspective, the true value of people seeing him was that people would then be positioned to see through him and gaze at Jesus. By willingly decreasing, John increased others' view of the Savior. Attention is not innately evil. It becomes evil when used as a self-serving end instead of a God-serving means. Those who steward attention as means and not end stand tall and serve strong, knowing that all gifts come from God and can therefore draw attention to God. Praise slides off such souls like water off a window into a cup that is offered to God alone. Surrounded by swelling crowds, John directed his fans to Jesus. The next day John saw Jesus coming toward him and said, "Look, the Lamb of God, who takes away the sin of the world! This is the one I meant when I said, 'A man who comes after me has surpassed me because He was before me.' I myself did not know Him, but the reason I came baptizing with water was that He might be revealed to Israel." (John 1:29-31) John decreased so others could see the Lamb. John decreased so others could follow the One who preceded and surpassed him. John decreased so that the Messiah would be revealed in John's lifetime. May our decrease likewise increase our generation's view of Jesus.

## 10 Questions to Consider During Lent

by [Michelle Medlock Adams](#)

For Christians, Lent is sort of a spring cleaning for the soul. It's a season when God wants us to examine ourselves and meditate on Him, His Word and His plan for our lives. So, I challenge you to take time during these weeks leading up to Easter and ponder these 10 questions during your moments with the Master.

- 1) Am I openly, honestly and enthusiastically sharing the message of Jesus Christ with unsaved family members and those I encounter in everyday life?
- 2) Do I have a gracious and patient attitude with the people in my life?
- 3) Do I look for the best in others, or do I have a judgmental attitude?
- 4) Am I spending enough time studying His Word and praying?
- 5) Do I have a thankful heart, or am I constantly complaining about situations and people in my life?
- 6) What are the lurking sin problems that still tempt me?
- 7) Do I speak up for the less fortunate, or do I remain silent and inactive?
- 8) Do I stand up for my Christian beliefs, or do I compromise my faith in order to be politically correct?
- 9) What is God dealing with me about right now—exercising to improve my health? Spending more time studying His Word? Going back to school to further my education? Answering the call to go to the mission field?
- 10) When people look at me, do they see a reflection of Jesus?

## 2017 Theme: The Year of Kingdom Victory

“For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith.” (1 John 5:4)

## Turn to the Bible to Deepen Your Faith

by Norman Vincent Peale

Use these tips to help you get the most from God's Word. Establish a relationship with the most popular book of all time. Here are easy ways to spend time with the Good Book and allow it to pour out its riches upon you.

### 1. Buy a beautiful Bible.

Learn to love the book itself. An attractive copy will feel good in your hands. Using a Bible that has sentimental value—one given you by your mother, father, pastor or Sunday school teacher—will make you want to spend time with it.

### 2. Pick it up, open it and read it.

It will never do you any good standing on a shelf.

### 3. Read through Matthew, Mark, Luke and John.

Read one chapter a day, preferably before bed. This will allow you to go to sleep with healthy, happy positive thoughts soaking into your thought patterns for the next day.

By reading a chapter a day, you will complete these four books in 89 days—okay, a little longer, but most of the great principles of Jesus are found in these books. Master them and you will have His rare secret of great living. Then, when you have read them through twice, read them a third time.

### 4. On the second reading, underline passages that appeal to you.

And on the third reading, memorize one passage every day. The more passages you commit to memory, the more completely you will be carrying the Bible around in your mind. Say the words over to yourself in spare minutes. These passages will serve as logs to cling to when you find yourself adrift on the sea of life.

### 5. Take your Bible in your hand, close your eyes and pray that God will give you just the message you need.

We are all afflicted by moods. Sometimes we are fearful and worried, at other times we are angry and resentful; sometimes our loved ones are ill and at times we feel very lonely.

But there is an answer in the Bible to every mood. All you need to do is open your Bible. The first statement you see may not be your answer, for God does not work in such a mechanical manner.

Continue reading and you will come to what He wants to say to you. You will recognize it when you see it. Incidentally, this will help you to become familiar with the entire Bible. In time, this familiarity will enable you to know where to look for help in specific situations.

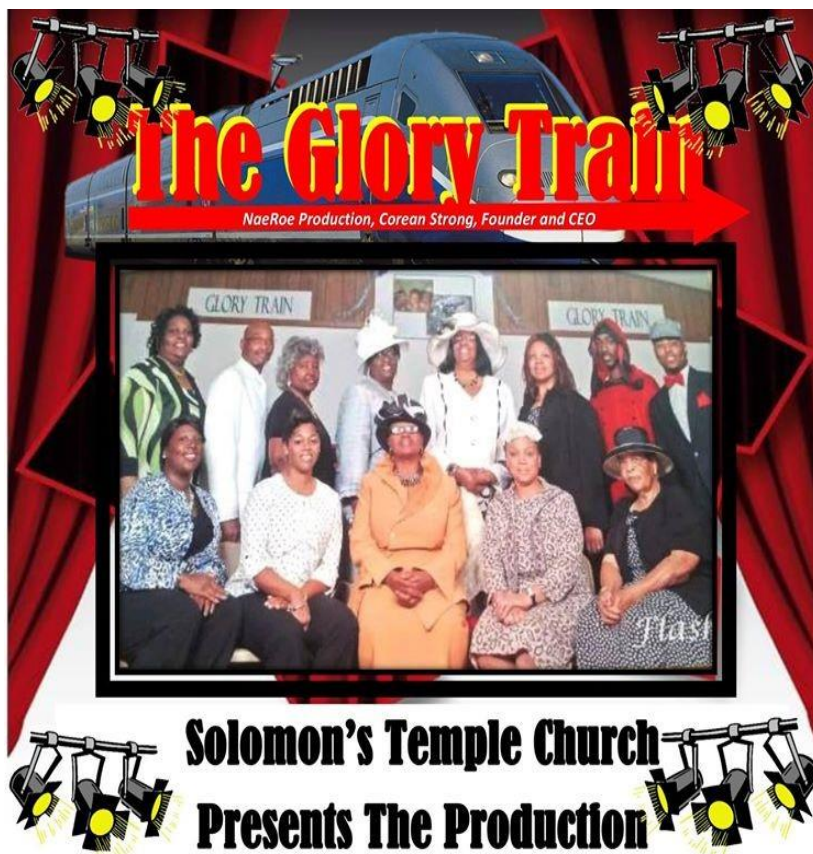

### 6. Read the entire Book of Psalms without stopping.

When you have an entire evening in which you can read, devote that time to the psalms. When you finish reading them, you will have such an overwhelming sense of the victory of faith over all the troubles of life that you will want to shout for joy.

In cases of grief and disappointment, I have known this practice to revolutionize a person's entire outlook. It gives one the whole panorama of human suffering and spiritual victory in one dose.

### 7. Expand your biblical knowledge.

Perhaps when you've worked your way through my suggestions, you'll have become so interested in the Bible that you'll want to know the entire book as a spiritual scholar. If so, ask your minister for suggested study books to guide you in your search.

# Health Care Ministry Corner

## March is National Save Your Vision Month

March is National Save Your Vision Month. While many of us think that having good vision simply means that our eyes are healthy, that is not always the case. Regular comprehensive eye exams can ensure that you not only keep your vision in great shape, but that you keep your eyes, and ultimately your body, healthy as well. Scheduling an eye exam is the first step to take in saving your vision.

During a comprehensive eye exam, your eye doctor does so much more than just figure out your prescription for eyeglasses or contacts. Your doctor also checks your eyes for common eye diseases, examines how your eyes work together, and also evaluates your eyes as an indicator of your overall health. Eye doctors are often the first health care professional to detect chronic systemic diseases such as high blood pressure and diabetes.

Eye exams are a vital part of health maintenance for everyone, no matter your age. Adults should have their eyes tested annually to keep their prescriptions current and to check for early signs of eye disease. Eye exams for children play an important part in ensuring normal vision development as well as academic achievement. Vision is closely linked to the learning process and children with undetected vision issues will often have difficulty with their academics.

## March is National Kidney Month

March is National Kidney Month and the NKF (National Kidney Foundation) is urging all Americans to give their kidneys a second thought and a well-deserved checkup.

Kidneys filter 200 liters of blood a day, help regulate blood pressure and direct red blood cell production. But they are also prone to disease; 1 in 3 Americans is at risk for kidney disease due to diabetes, high blood pressure or a family history of kidney failure.

There are more than 26 million Americans who already have kidney disease, and most don't know it because there are often no symptoms until the disease has progressed.

### Points to Ponder

Use everything as an opportunity to understand, grow, and expand. – *Unknown*

Always forgive people and move on, even if they never ask for your forgiveness. Don't do it for them – do it for yourself. – *Unknown*

“If you don't go after what you want, you'll never have it. If you don't ask, the answer is always no. If you don't step forward, you're always in the same place.” – *Nora Roberts*

“Be faithful in small things because it is in them that your strength lies.” – *Mother Teresa*

The best opportunities won't sit around and wait for you. Be ready for them or they'll move on without you.
