## October 2017

**2017 Theme: “The  
Year of Kingdom  
Victory” (1 John 5:4)**

**Our 2017 Theme: “The Year of Kingdom Victory”** will propel us into the mindset of a season of newness and victory over anything that seems to attempt to defeat us. During this study we will seek to conquer Satan’s system. The Christian is in an indivisible union with Christ Himself and as a result, is a partaker of His divine nature. A Christian partakes of everything that Christ is and has, including His inheritance, righteousness, death, life, and Spirit. Since Christ is a victor, Christians partake of His victory.

Let us continue to work, worship and witness together for a victorious influence in our ministry, the community and even greater, the Kingdom of God.

Pastor K. D. Shivers

Discover the Victory Prayer by Carol Kuykendall

What familiar battles do you face today? Try this prayer to defeat them. *For we walk by faith, not by sight.—II Corinthians 5:7*

I seem to fight the same predictable battles every day: procrastination, a critical spirit, envy. But recently I learned a new way of praying that is helping me fight these old enemies. I call it the “Victory Prayer” and discovered it in Charles Stanley’s book *The Wonderful Spirit-Filled Life*. Don’t wait to pray until you are in the thick of a predictable battle, Stanley suggests. Instead, claim God’s promise of victory in prayer before the battle. Then, when the battle comes, you know you’ve already defeated this enemy. The power behind this confident prayer is faith—believing God will do what He promises. That’s how David won the battle against Goliath!

Goliath was the giant Philistine who terrorized the Israelite soldiers, but young David knew Goliath was God’s enemy; that God would be with him in the battle; that God would be victorious over His enemy. So David claimed that victory before the battle began. Then he merely did what he knew how to do as a shepherd boy. He picked up his slingshot and five smooth stones and marched off to face the enemy. The result flowed from his confident faith.

I’ve been trying this spiritual battle plan. Each morning, I name my enemy (procrastination). I know this enemy is also God’s enemy and claim God’s promise that He will be with me in my battle. Then I thank God for His victory. After praying, I do what I know how to do. I sit down at my desk and begin the work that awaits me. The battle begins, and the result flows from my faith.

What familiar battles do you face today? Fill in the blank in Stanley’s prayer:  
*Lord, I claim victory right now over the giant of \_\_\_\_\_.*  
*I recognize that this giant is coming against the Christ in me.*  
*Just as You defeated this giant when You walked on this earth,*  
*You can defeat it through me now, for You are my life.*  
*I trust You to produce peace and self-control through me.*  
*When the pressure comes, remind me that the battle is Yours. Amen.*

Be Strong, Be Brave, Don't Panic" Joshua 1:9

### Celebrating the Man of God

#### A Pastor's Heart

By: Deanna Malawy

A pastor's heart is **P**rotective  
and guards his flock from Satan's  
snares.

A pastor's heart is **A**ttentive  
and seeks to know his people's  
cares.

A pastor's heart is **S**acrificial  
and for his sheep will give its all.

A pastor's heart is **T**ender  
and listens to the Spirit's call.

A pastor's heart is **O**bedient  
and heeds the Master's commands.

A pastor's heart is **R**eflective  
and considers he is but a man.

**Rev. Dr. K. D. Shivers**

### Celebrating the Woman of God

#### The Pastor's Wife

When we thank God for our pastor  
We must give him thanks for two,  
For when your husband came to us  
God also sent us you.

A pastor's wife must be many  
things

You have many hats to wear  
And we say thanks for all you do  
And lift you up in prayer.

You adjust your life to meet the  
needs  
Of your husband's congregation  
It seems that you can always cope  
With most any situation.

Your presence blesses all of us  
Who know you from day to day  
As our pastor's wife, you are  
serving God  
In a fine and worthy way.

## HEALTH CARE MINISTRY CORNER – OCTOBER IS:

### National Breast Cancer Awareness Month

Breast cancer is the second most common kind of cancer in women. About 1 in 8 women born today in the United States will get breast cancer at some point. The good news is that most women can survive breast cancer if it's found and treated early. A mammogram - the screening test for breast cancer - can help find breast cancer early when it's easier to treat.

National Breast Cancer Awareness Month is a chance to raise awareness about the importance of early detection of breast cancer. Make a difference! Spread the word about mammograms and encourage communities, organizations, families, and individuals to get involved.

### National Down Syndrome Awareness Month

Down syndrome happens when a child is born with an extra chromosome, leading to delays in physical and mental development. It's one of the most common genetic birth defects in the United States, affecting one of every 691 babies. Researchers don't know what causes the condition, but it's more common in babies born to women over 35.

People with Down syndrome are more likely to have medical problems, including heart defects and sleep apnea, as well as mental and social development issues. Individuals with the condition vary widely in their abilities, but early intervention and good medical care make a big difference in their development. A growing number are able to live independently, and the average life span has increased to 55 in recent decades.

### Domestic Violence Awareness Month

**Domestic Violence Awareness Month (DVAM)** was launched nationwide 30 years ago as a way to raise awareness and connect and unite individuals and organizations working on domestic violence issues. Over the last three decades, much progress has been made to support domestic violence victims and survivors. This month provides an excellent opportunity to demonstrate commitment to ending domestic violence and supporting the many victims and survivors amongst us. Nearly one in four women and one in seven men will experience domestic violence in their lifetime. We are all impacted by domestic violence and it takes ALL of us to end domestic violence.
