### **Experience the Heavenly Father Jesus Knew by Henry and Norman Blackaby**

So often, as we read about Jesus, we fail to make the connection between His example and our own experience. From God's perspective, the characteristics of His Son's prayer life are to be true for every believer and every church. We easily dismiss that fact and tell ourselves, "Jesus was the Son of God; of course His prayer life was outstanding. But I'm only human; I can't be expected to pray as Christ prayed."

*In the days His flesh, when He had offered up prayers and supplications, with vehement cries and tears to Him who was able to save Him from death, and was heard because of His godly fear, though He was a Son, yet He learned obedience by the things which He suffered. And having been perfected, He became the author of eternal salvation to all who obey Him (Hebrews 5:7-9).*

These verses pull together the entire prayer life of Jesus into a single, powerful statement for our instruction. It teaches us the essence of prayer, so we can more fully experience the intimate fellowship with the heavenly Father that Jesus knew.

We want to draw your attention first to the significant phrase that introduces this passage: "in the days of His flesh." This expression emphasizes the human nature Christ embraced during His earthly ministry. That word *flesh* identifies Jesus with you and me; we have a Savior who can identify with us because of the human form that He assumed as He emptied Himself of His divine privileges and came to earth as a man (Philippians 2:7-8). As we study His prayer life, we're seeing Jesus *in His humanity* praying to the Father, just as we pray to Him in our own humanity.

In the days of His flesh, Jesus understood the seriousness of communicating with His heavenly Father. In the days of His flesh, He chose not to allow anything to discontinue or hamper that fellowship.

What can be said of your life—in the days of *your* flesh? Have you come to understand the importance of maintaining communication with God above everything else? What things have you let distract you from daily communication with the Father?

If Jesus was convinced that His own life and ministry depended upon His prayer life with the Father, we as well must set our hearts to maintain uninterrupted time in prayer with our Lord, for this is the key to our very life as God intends it.

## Health Care Ministry Awareness June Health Alert: Goal of Men's Health Month

The purpose of Men's Health Month is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This month gives health care providers, public policy makers, the media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury. The response has been overwhelming with thousands of awareness activities in the USA and around the globe.

Wear BLUE Day is celebrated every year on the Friday of Men's Health Week! Wear BLUE Day is celebrated by private corporations, government agencies, sports teams, and individuals to show their concern for the health and wellbeing of boys and men.

Organizations and individuals can host a Wear BLUE day to raise awareness and money for education about men's need to seek regular checkups, or testicular cancer education, prostate cancer education, or other health issues that affect men. (Cardiovascular disease, skin cancer, lung cancer, diabetes, gout, and more.)

Wear BLUE Day is a part of the year-round Wear BLUE® awareness campaign that was created by Men's Health Network to raise awareness about the importance of male health and to encourage men to live longer and healthier lives, and give women an opportunity to encourage them to do so. Many people take advantage of less stringent work attire to show their support of men's health by wearing blue. The social media hashtag #ShowUsYourBlue has grown tremendously over the years.

Wear BLUE Day and Men's Health Week are sponsored by Men's Health Network. Men's Health Network is an international non-profit organization whose mission is to reach boys, men and their families with health awareness messages where they live, work, pray, and play.

Solomon's Temple Let's Show Our Support To All Of Our Mens & Boys, Family & Friends By Wearing Blue To Encourage One Another To Get Regular Checkups. Thanking You In Advance For Wearing Something Blue On June 9, 2019.

### EXTRA, EXTRA, WE PAY!!!
